NOTICE INVITING PROPOSAL

School Education Department, Government of Tripura, invites proposal from reputed NGO's/ Foundations/ Body Corporates to partner in the sector of school education, for introducing best practices and to bring systemic changes in the quality of education. Some illustrative fields are listed below for sake of example:-

- Designing Maths and Language workbooks and monitoring their use to improve language and arithmetic prowess of the children.
- Designing books and curriculum and teacher training for pre-school classes being introduced in Government Schools.
- Annual training and capacity building of teachers and academic leaders and monitoring the teacher wise training gaps and long term and short-term impact assessment.
- Implementation of section 12(1)(c) of RTE act for reserving 25% seats for EWS(economically weaker sections), in private unaided schools of Tripura.
- Setting up career and psychological counseling cells.
- Providing inputs to specially abled children and children with learning disabilities.
- Re-structuring of SCERT and implementing teacher training software to monitor and coordinates the training need and requirement of all teachers.
- Improvement of quality of vocational training under NSQS format.
- Leadership training for HM and Principal, effective use of library and set up of class library.
- Improvement of quality of primary education etc.

The department of School Education and SCERT, Tripura intends to improve its own capacity to implement all these new initiatives. Thus, any project which is

A

initiated will also have a team deployed by the School Education Department for implementation which will work closely with the NGO/private partner.

The expectation from the NGO partner is to deploy resource persons possibly even on part time basis and should design quality interventions, guide the department and help in monitoring the implementation of the same across the state. A baseline and end-line survey for the intervention will be conducted by the Department of School Education at its own cost for all such new initiatives with the technical help of the NGO partner.

Any cost involved in teacher training, provision of teacher learning material etc. will also be borne by the State Government. Thus the only expectation from the NGO/ body corporate private partner is to deploy high quality resources at their own cost for a state level PMU.

The Department would also support the NGO/ body corporate partner in its endeavours to raise resource for manpower cost from CSR funding.

Tenure of Engagement:

The partnership with NGO's/ Foundations/ Body Corporate would be established for a period of 1 year/18 months, which may be extended at the discretion of both the parties.

Selection Process:

At least five years prior experience and commendable work done with Central or state governments for improving quality of education in government schools— should have worked in the Central Government or State Government for a minimum of 5000 children at field level.

Resume of resource persons proposed to work with Tripura State government, will be examined.

Special expertise in particular areas like pedagogy and curriculum design, program monitoring, parents and stakeholder involvement/mobilization, vocational education, career counseling.

Financial Assistance:

The Government shall bear the travel costs (to and fro, Tripura and within the state and local boarding and lodging) of staff of the concerned NGOs/Foundations/ Body Corporate involved in the Programme. No Consultancy charges, manpower costs will be provided to the resource persons from NGO / consultant. The expenditure shall be reimbursed as per actual. Shared office space will also be provided to the organization.

Interested NGO's/ Foundations/ Body Corporate fulfilling the criteria as mentioned above may submit their proposal via email to spossatripura@gmail.com along with scanned copy of supporting documents by **7th February, 2020**. The undersigned reserves the right to cancel any or all applications(s) or the entire applications process without giving any reason.
