Vide this Directorate Memo No.F.27 (12-2)-DEE/ CONF/ 2021 / 6049 Dt. 15/12/2022 out of in-positioned 1,344 newly promoted Head Master / Head Mistress (Primary) , 1317 have been posted in State Managed Schools and for 27 HM (Pry) whose service were earlier placed with TTAADC authority , the Principal Officer (Education) TTAADC has been requested to take next course of action with respect to their posting vide Memo No. F.27 (12-2) -DEE/CONF/2021/ 6050 Dt. 15/12/2022.

Now, as it has been reported that consequent upon non-joining of considerable number of T-TET I qualified candidates in the post of UGT, hence it appears that in the event of implementation of issued posting order prior to fresh rationalization of UGTs there will be scarcity of Primary level Teachers for a number of schools of the State .

Further, it has also been learnt that sizeable number of concerned HM (Pry) are already engaged in election related works and posting of them in other places at present may cause inconveniences in election process.

In View of this, the posting orders issued by both the **referred memo dt 15/12/2022 are hereby cancelled and all the concerned 1,344 HM (Pry) are requested to continue in their existing place of posting until further order.**
